## The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gassing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from indigestion, a torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best remedy known to medical science for the above symptoms is Dr. Pierce's Golden Medical Discovery. This is absolutely true. It will be readily proven to your satisfaction if you will mail in a card and request to Dr. E. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the luminaries entering into his world-famed medicines and showing what the most eminent medical men of the age say of them.

## THE NEW LIQUOR LAW.

The new law prohibits the sale of liquor to any minor or to any student at any school, college or university, or to any intoxicated person, or to a lunatic, epileptic or habitual drunkard, where the saloon keeper knows them to be such. It also forbids any person to buy ardent spirits for such persons. It prohibits the employment of women or minors in any capacity in any saloon. It prohibits the drinking of ardent spirits on a passenger train, except by special permission from the conductor. It prohibits the delivery of liquor by railroad, steamboat or express companies, except to the person to whom it is addressed, or to his employee, upon his written order. It prohibits the managers or employees of dispensaries to deliver ardent spirits to any person outside of the village, town or city in which the dispensary is located.

Retail liquor license cannot be granted to county districts or in towns of less than 500 inhabitants, based upon the last preceding United States census, unless the community be within a county contiguous to a city having police protection paid for by the public, and where license has been granted during the twelve months prior to the date of the passage of this act, or unless it be to a hotel or social club at a health resort having a natural mineral spring connected therewith, or situated by the sea, or any large body of salt water connected therewith.

No liquor license can be granted to any person except a qualified voter of the county or city in which the business is to be conducted, except in cases of persons who at present hold such license, and in such cases the person desiring license must be a qualified voter in the State. This provision absolutely prohibits the granting of license to women, temporary residents and foreigners not qualified to vote.

For the first offense, in addition to a fine or jail sentence may be added to the discretion of the court, and the offender is required to give bond for twelve months, with approved security, in the penalty of \$500. For the second offense the offender is fined and imprisoned and his bond is forfeited, and he is required to give bond for \$1,000. It is believed that the jail sentence and the bond feature will be very effective in preventing violations of the law.

The new law provides that a search warrant may be issued to search places where it is a matter of common report that liquor is illegally sold, and if more than two gallons of ardent spirits are found this fact shall be admitted as evidence in the trial of the party accused of illicit sale.

No social club can dispense liquor in territory where retail liquor license cannot be granted, nor on Christmas Day, election days or on Sundays. All social clubs shall execute a bond with security of \$5,000, which bond shall be forfeited if the law is violated. Social clubs, while compelled to close on Sundays, Christmas and election days, can keep open all night.

Section 19, as amended, says: "No person shall dispense ardent spirits of any description on Sunday or Christmas Day. Nor shall any person be kept open between the hours of 12 p. m. and 5 a. m."

Kodol is today the best known remedy for all disorders of the stomach, such as dyspepsia, heartburn, sour stomach and belching of gas. Sold here by W. E. Creighton & Co.

## SHOT BY MISTAKE.

The fatal wounding of Deputy Marshal Smith Childers by Jacob McDowell, a negro, at Providence, Ky., Saturday night, was the indirect cause of the shooting of two traveling men. P. B. Carter, of Chattanooga, and J. B. Barry, commercial travelers, were shot and severely wounded from ambush by negroes while driving between Dixon and Providence with two other druggists. The negroes who did the shooting evidently thought that the salesmen were pursuing McDowell.

Deputy Marshal Childers was shot while attempting to arrest McDowell. The negro was taken to Dixon by another officer. Walter men immediately gathered to lynch McDowell.

Negroes of Providence, hearing this, armed themselves and lay in wait by the road over which the mob was expected to pass. The traveling men soon came along, and the ambushed negroes fired on them and escaped. McDowell was hurried from Dixon to Henderson.

The mob, arriving at the Dixon jail at 2 o'clock yesterday morning, and finding McDowell gone, set out with bloodhounds to find the negroes who had fired on the traveling men. Will McDowell, a cousin of the prisoner, Tom Fogus, Tom Miller and another negro were arrested yesterday charged with shooting the traveling men.

The mob has not found the four negroes, and probably will not go to Henderson after McDowell.

Can you believe your senses? When two of them, taste and smell, having been impaired if not utterly destroyed, by Nasal Catarrh, are fully restored by Ely's Cream Balm, can you doubt that this remedy deserves all that has been said of it by the thousands who have used it? It is applied directly to the affected air-passages and begins its healing work at once. Why not get it today? All druggists or applied by Ely Bros., 56 Warren Street, New York, on receipt of 20 cents.

The New Black Dress Fabrics

BLACKS are to be fashionable for spring and summer. For dressy wear, sheer materials will again be the principal factor, and the voiles will continue to hold a leading place. Mohairs, Brilliances, and Siciliennes will be greatly in evidence.

Shadow stripes and checks will be an important feature.

Herringbone stripes will be favored rather than plain. Unobtrusive chevron stripes will be one of the ultra novelty designs.

Among the leading black fabrics are:

Priestley—Tussock Mohair Stripes, Resilla Silk Canton, Loreto Perin Stripes, Wool Rosette, Queen Cloth, Caillon Panamas, Melrose Cloth, Stripes, Voiles, Silk-warp Henriettes, Mohair Sash (check) Cravenette Serge, Plain Voiles, Lapin's—Wool Tiflets, Plain Voiles, Checked Voiles, Striped Voiles, Checked Serge, Checked Batiste, Striped Serge, Caillon Panamas. Other popular makes include All-wool Henriettes, Nan's Veiling, Wool Batiste, Herringbone Cheviot, Spotproof Broadcloth, Brilliances, Orlon Gloria, Sorm Serge, Chicquette, French Serge, &c.

Second floor—G st.

The Rich New Silks.

The past week marked the completed shipment of new Spring and Summer Silks, in both the imported and domestic lines, including:

Princess Surah, Surah Cheviot, Surah Shantung, Printed Foulard, Tussock, Flou, R. M. silk, Rajah, Shab, Cheviot, Plain and Printed T. d. silk, &c.

Surah Shantung is one of the newest and prettiest silks—intended for tailored suits and demi-tailored costumes.

The rough, un-finished shawl—Rajah, Shab, and all kindred weaves—all, in addition to being used for tailored suits and dressy costumes—are used by milliners for hats and dresses.

Foulards promise to be ultra-fashional, both for dresses and suits. They come in neat and printed effects—stripes, dots, &c.
